REFERENCE: Policy # FM015

---

POLICY HISTORY:      EFFECTIVE DATE: June 19, 2014  
                                 RETIREMENT DATE:

## Reason for Retiring Policy

---

The updated Contract Management Policy and associated procedures encompass most aspects of the Partnership Policy. The new Special Revenue Funds Policy addresses activities using Special Revenue Funds. Together, the update to the Contract Management Policy and associated procedures and the creation of the Special Revenue Funds policy encompass all aspects of the Partnership Agreements Policy and render the Partnership Agreements Policy obsolete and unnecessary.
