        Building Removals .....3

        Removing Pavement.....3

## Chapter 8 Existing Topography and Removals

### Building Removals

BUILDING REMOVAL by LUMP SUM; includes all buildings listed for removal within the contract. It is not necessary to have separate pay items for each building or parcel such as BUILDING REMOVAL A, B, etc.

There are related 2103 and 2104 pay items, that if applicable, are paid for separately.

**For more information on this and associated pay items see Design Scene Part 1 – Pay Item Guidance.**

### Removing Pavement

**See Design Scene Part 1 – Pay Item Guidance** for more information on the following pay items:

REMOVE BITUMINOUS PAVEMENT

REMOVE BITUMINOUS SHOULDER PAVEMENT

REMOVE CONCRETE PAVEMENT

REMOVE PAVEMENT
