

## TRUNK HIGHWAY IMPACT PROJECTS

All Trunk Highway lane closures and work zone lay-outs and changes need to be pre-approved by MnDOT “Metro Traffic”. Metro Traffic can be reached at: [http://www.dot.state.mn.us/metro/trafficeng/control\\_striping.html](http://www.dot.state.mn.us/metro/trafficeng/control_striping.html)

### Contact Information

After award of the contract the project engineer needs to submit their **Trunk Highway Impact Project Contact Information**. The form should be emailed prior to construction to:

#### **Metro Dispatch**

[MetroMaintDispatcher.DOT@state.mn.us](mailto:MetroMaintDispatcher.DOT@state.mn.us)

#### **Metro Public Affairs**

[METPACS.DOT@state.mn.us](mailto:METPACS.DOT@state.mn.us)

#### **Kelly Braunig, RTMC**

[kelly.braunig@state.mn.us](mailto:kelly.braunig@state.mn.us)

#### **Metro Permits**

[buck.craig@state.mn.us](mailto:buck.craig@state.mn.us)

#### **Elisa Bottos**

[elisa.bottos@state.mn.us](mailto:elisa.bottos@state.mn.us)

### Lane Closures

Prior to closing a lane or shoulder on a TH, project personnel need to submit the **Metro Lane Closures form** by **Fax** to:

**Metro Dispatch @ 651-234-7101**

And by **E-mail** to:

#### **Metro Dispatch**

[MetroMaintDispatcher.DOT@state.mn.us](mailto:MetroMaintDispatcher.DOT@state.mn.us)

#### **Metro Public Affairs**

[METPACS.DOT@state.mn.us](mailto:METPACS.DOT@state.mn.us)

#### **Kelly Braunig, RTMC**

[kelly.braunig@state.mn.us](mailto:kelly.braunig@state.mn.us)
