

Citrix Client First-Use Setup

Steps:

1. Once installed, add your account by clicking on the Add Account button as shown below:

Installation successful

If you received instructions to set up Citrix Workspace app with your email or a server address, click Add Account. Otherwise, click Finish, and you can set up an account later.

2. Enter `https://webportal3.dot.state.mn.us/` as the server address as account and click Add.

Add Account

Enter your work email or server address provided by your IT department:

3. You will be prompted to sign in. Use your state login ID and password.
4. Once you're signed in, your applications will appear.
