

INSTRUCTIONS FOR COMPLETING FORM 1770  
APPLICATION FOR PARADE/SPECIAL EVENT/BANNER ON TRUNK HIGHWAY RIGHT OF WAY

Applicants wishing to use a portion of a trunk highway for a parade, bicycle event, race, filming or other special event must complete the attached Parade/Special Event/Banner Permit Form. Send the completed application and required insurance information to the appropriate MnDOT District Office. Contacts and addresses can be found at: [www.dot.state.mn.us/utility/contacts.html](http://www.dot.state.mn.us/utility/contacts.html)

Before submitting the application to MnDOT, the applicant must obtain approval by both the local official(s) with authority to approve any detours on local roads associated with the event and law enforcement agency (ies) that will provide traffic control during the event.

**Fill Out Form Completely**

- Print (in ink) or type all information. The form can be filled out online and then printed at: <https://www.dot.state.mn.us/utility/forms.html>
- Be sure to sign the form. Submit the original form only.

**Submit the following information:**

- One permit application completed in its entirety; if an item does not apply, state "N.A." in the blank.
- A map of the proposed event route/area, showing its relationship to the trunk highway.
- A map of any proposed detour route.
- A description of how traffic will be controlled (e.g. police officer, proposed signing or other traffic control devices).
- Written approval of the route of detour by the road authority of the affected route(s). This may be the Chief of Police and/or the State Patrol. The signatures of approval may be on the map showing the proposed route and detour or on a separate letter and should include legible contact information for the Chief of Police and/or State Patrol.
- Certificate(s) of insurance listing the State of Minnesota as an additional insured.

MnDOT reserves the right to request a traffic control plan based on the complexity of the detour, traffic volumes, speed, and safety.

All parades and special events on highway rights-of-way are governed by the attached statutes. All applicants must agree to comply with these statutes, and with any additional conditions attached to and made part of the permit.

The Permittee shall procure and maintain commercial general liability insurance during the term of the permit, and shall have the State of Minnesota added as an additional insured to the policy. The Permittee may do so either at its sole cost and expense, or it may arrange for the community group that sponsors the special event subject to this permit to procure and maintain the insurance coverage. The policy shall be in a form and amount satisfactory to MnDOT, to cover any loss that may be incurred for or on account of any matter, cause or thing arising out of the permitted activity, and for property damage, personal injury and public liability under this permit. The amount of insurance shall have a limit of not less than \$2 Million per occurrence and \$2 Million in the aggregate. An Umbrella or Excess Liability insurance policy may be used to supplement the underlying policy limits to satisfy the full policy limits required herein. If the Permittee is a local unit of government, it may, during the term of this permit, maintain a program of self-insurance or equivalent protection covering its public liability in the amount of the statutory limits provided by Minnesota Statutes, Chapter 466. The Permittee shall provide Certificates of Insurance to MnDOT prior to the commencement of any activity that is the subject of this permit. If a cancellation notice from an insurance carrier affording coverage herein is received by the policyholder, the policyholder shall notify MnDOT within five (5) business days with a copy of the cancellation notice, unless the policy contains a provision that coverage afforded under the policy will not be cancelled without at least thirty (30) days prior written notice to MnDOT.

Upon receipt of the application, MnDOT will review it to determine if all requirements have been met. A permit is not valid until it has been signed by MnDOT's authorized representative and delivered to the applicant.

## STATUTES

### Minnesota Statutes §160.2715 RIGHT-OF-WAY USE; MISDEMEANORS.

(a) Except for the actions of the road authorities, their agents, employees, contractors, and utilities in carrying out their duties imposed by law or contract, and except as herein provided, it shall be unlawful to:

(1) obstruct any highway or deposit snow or ice thereon;

(9) place or maintain any advertisement within the limits of any highway, except as provided in section 160.27, subdivision 7;

(10) paint, print, place, or affix any advertisement or any object within the limits of any highway, except as provided in section 160.27, subdivision 7;

### Minnesota Statutes §169.04 LOCAL AUTHORITY.

(a) The provisions of this chapter shall not be deemed to prevent local authorities, with respect to streets and highways under their jurisdiction, and with the consent of the commissioner, with respect to state trunk highways, within the corporate limits of a municipality, or within the limits of a town in a county in this state now having or which may hereafter have, a population of 500,000 or more, and a land area of not more than 600 square miles, and within the reasonable exercise of the police power from:

(1) regulating the standing or parking of vehicles;

(2) regulating traffic by means of police officers or traffic-control signals;

(3) regulating or prohibiting processions or assemblages on the highways; . . .

### Minnesota Statutes §169.222 OPERATION OF BICYCLE.

Subd. 10. **Bicycle events.** (a) Bicycle events, parades, contests, or racing on a highway shall not be unlawful when approved by state or local authorities having jurisdiction over that highway. Approval shall be granted only under conditions which assure reasonable safety for all participants, spectators and other highway users, and which prevent unreasonable interference with traffic flow which would seriously inconvenience other highway users.

(b) By agreement with the approving authority, participants in an approved bicycle highway event may be exempted from compliance with any traffic laws otherwise applicable thereto, provided that traffic control is adequate to assure the safety of all highway users.

## STANDARD CONDITIONS OF PERMIT

1. The applicant/event coordinator must comply with all applicable laws and regulations, including Worker's Compensation laws, local permits and other local requirements, and all Minnesota laws pertaining to the use of trunk highway right of way.
2. The applicant/event coordinator shall ensure that the event does not interfere with the ability of the motoring public to travel through the community during the event. If the parade or special event involves temporary closure of a trunk highway, an easy and convenient detour route for the through highway traffic shall be made available after consultation with the local road authority. The detour route must be marked with standard traffic control signs according to the Minnesota Manual of Traffic Control Devices., so as to leave no doubt as to the intended route. Failure to provide adequate signing may result in the State Patrol ordering the event to be cancelled and the trunk highway reopened to traffic.
3. This permit authorizes use of the trunk highway right of way for a specific date and time. The event must terminate by the specified end time and the highway restored to full normal vehicular travel.
4. This permit authorizes use of a definite and specified area of the trunk highway, and the event activities shall be carried on only in areas designated by the permit and at no other locations on the trunk highway system.
5. The applicant/event coordinator must ensure that adequate traffic control and enforcement, coverage of the closure, and proper direction of the detoured traffic is available. Coordination with both local law enforcement and the State Patrol is required. Adequate police coverage of the closure and direction of the detour traffic must be available.

6. The applicant/event coordinator will be responsible for any damage done to highway property as a result of the parade/event activities and cleanup of the areas involved in the parade/event. All areas disturbed shall be restored back to their original condition.
7. All directional signs along the parade/event route must be submitted to MnDOT for approval no later than 21 days in advance of the event. All non-directional signs, banners or decorations that will be located on or over trunk highway right of way must also be submitted to MnDOT for approval of the size, location and manner of installation. Such signs, banners or decorations may be installed no more than two weeks prior to the parade/event, and must be removed within 3 days after the event.
8. There shall be no stands, buildings, tents, or other encroachments permitted within the State highway right of way.
9. No alcoholic beverages shall be distributed or consumed on the State highway right of way.
10. The applicant/event coordinator will be responsible for all costs involved, including providing law enforcement and the State Patrol for traffic control and for all costs of assistance provided by MnDOT, including the cost of traffic control devices, signs, and/or labor.
11. All temporary traffic control devices and methods shall conform to the Minnesota Field Manual on Temporary Traffic Control Zone Layouts, Minnesota Manual on Uniform Traffic Control Devices (MMUTCD), Minnesota Standard Signs and Markings Manual, and the appropriate provisions of Standard Specification 1710. All temporary traffic control devices shall be deemed crashworthy under the American Association of State Highway and Transportation Officials (AASHTO) "Manual for Assessing Safety Hardware, 2016 (MASH-16)" with exceptions as noted under MnDOT Technical Memorandum No. 19-03-T-01 Crashworthy Requirements for Temporary Traffic Control Devices. (See memo at: <http://dotapp7.dot.state.mn.us/edms/download?docId=2434220>)
12. Unless adequately protected by a traffic barrier, there shall be no work within the clear zone, nor shall pipe materials, equipment or other objects be stored within the clear zone. If temporary traffic barrier is used, it will be placed according to the "MnDOT Temporary Barrier Guidance Manual" (December 2018). (See website at: [www.dot.state.mn.us/trafficeng/workzone/doc/Temporary%20Barrier%20Guidance%20Manual%20181129.pdf](http://www.dot.state.mn.us/trafficeng/workzone/doc/Temporary%20Barrier%20Guidance%20Manual%20181129.pdf)) Any temporary traffic barrier (including crash cushions) must be deemed crashworthy under MASH-16.
13. Any person acting as a Flagger for permitted work shall have attended a training session taught by a MnDOT Qualified Flagger Trainer within the twelve months immediately preceding the start date of all flagging activity. A Flagger shall receive a Flagger Qualification Card, signed by a MnDOT Qualified Flagger Trainer, upon successful completion of this training. During all flagging activity, a Flagger must carry a signed Flagger Qualification Card on that Flagger's person and be in possession of a current Minnesota Flagging Handbook. The Minnesota Flagging Handbook is available from MnDOT Qualified Flagger Trainers or from a MnDOT District Office.
