Timing, attendance, and breaks

The live virtual (Zoom) class day is from 8:00 a.m. to 4:30 p.m. Attendance will be taken throughout the day. You must be present to receive credit for attendance. There will be short breaks throughout the day and a 30 minute lunch break around 12:00 noon.

Topics

- Introductions
 - Instructors
 - Housekeeping Issues
 - Bituminous Plant Tester Certification Requirements
 - Basic Focus of Bituminous Plant Tester Course
 - Purpose of Bituminous Plant Tester Training Manual
- Review of content from all chapters of the BPTC Training Manual
- Selected worksheets from the BPTC Classroom Packet
- Discussion of issues from bituminous plant work and questions from the class
- Wrap up: course evaluation and Information about the written exam

Deadline (see the course webpage for more information):

The **written exam** will open for you at the end of class. You must complete the exam within one week after it is open for you, meaning the same day the following week.

View the Technical Certification Program website at mndot.gov/technical-certification for information about: our program and certification process, class registration, course materials and program documents, construction resources, exams, Technical Certification Card, and help and contacts.
