

# RICWS Operations Guidance going forward (March 2020)

**Other Items to Consider**

- *Documentation of each step* (Date, Reasoning, Crash Facts, Maintenance Logs, Power Costs, ESS Notes, etc.)
- *Intersection Lighting Needs*
- *Static or DMS with information about upcoming or recent removal*
- *Law Enforcement - Presence on Deactivation? Alert State Patrol and other local law enforcement.*
- *Political Ramifications/ Assessment* (Was this put in because of politics?)
- *Alternatives to decision(s) considered* (include why they were rejected/ ruled out)
- *Potential Future Projects* (Start ICE Process?)
- *“Cross Traffic Does Not Stop” Signing on minor leg stop signs after minor road warning removal*
