Re: 2022 Major Highway Projects, Trunk Highway Fund Expenditures and Efficiencies Report

Dear Legislators:

The Minnesota Department of Transportation is pleased to present the 2022 Major Highway Projects, Trunk Highway Fund Expenditures and Efficiencies Report to the Legislature.

As required by [Minnesota Statute 174.56](#), the report details the projects that are under construction, programmed for construction or planned for construction within the next 15-years. The report includes the status of major highway projects around the state, an environmental mitigation cost comparison for representative projects and trunk highway fund expenditures.
