

Technical Memorandum

To: Electronic Distribution Recipients

From: Michael G. Beer, P.E. Electronic signature on file
Assistant Commissioner (Interim), Engineering Services

Subject: E-ZPass Lanes Design and Implementation Guidelines

Expiration and Purpose

This Technical Memorandum supersedes TM 21-03-TS-03 and extends the expiration date of Technical Memorandum 18-05-TS-03 to December 31st, 2026 unless superseded prior to that date.

The purpose of this Technical Memorandum is to establish guidance in the design and implementation of E-ZPass lanes, formerly known as MnPASS.

Guidelines

Refer to Attachment TM 18-05-TS-03

All references to MnPASS should now be E-ZPass. All MnPASS logo should now be E-ZPass logo.

Questions

Any questions regarding the technical provisions of this Technical Memorandum can be addressed to either of the following:

Kiet Ly, E-ZPass Operations Engineer at **(651) 295-1918**

Josephine Tayse, State Signing Engineer at **(651) 234-7371**

Ethan Peterson, State Pavement Marking & Crashworthy Engineer at **(651) 234-7010**

Douglas Carter, State Geometrics Engineer at **(651) 366-4623**

Any questions regarding publication of this Technical Memorandum should be referred to the Design Standards Unit, DesignStandards.DOT@state.mn.us. A link to all active and historical Technical Memoranda can be found at <http://techmemos.dot.state.mn.us/techmemo.aspx>.
