RE: 2023 Governor's Council on Connected and Automated Vehicles Annual Report under [EO 19-18](#)

Dear Governor Walz:

[Executive Order 19-18](#) establishes the Governor's Council on Connected and Automated Vehicles. Due to terms ending in April of 2023 and the need to appoint new council members, the council did not meet in 2023. As a result, the council did not issue an annual report in 2023.

The new council includes former and new council members, and the first meeting of the new council is scheduled for February 28<sup>th</sup>, 2024. The council will resume their duties as set forth in the executive order at that time and will issue an annual report for their work in 2024.

Sincerely,

A handwritten signature in cursive script that reads 'Nancy Daubenberger'.

Nancy Daubenberger, P.E.  
Commissioner and Chair of the Governor's Council on Connected and Automated Vehicles
