

Hwy 60 Mountain Lake

What we heard

Community members highlighted key issues based on their experiences at the three intersections.

Poor Visibility

Community members indicated poor sight lines on Highway 60 and County Road 1.

Traffic

Community members reported high vehicle speeds and congestion peaks on Friday afternoons.

Median & Turn Lanes

Community members feel there is not enough space in turn lanes to accommodate long vehicle queues.

October to December 2023

During Phase 1 engagement we asked the community to share their experiences traveling along and across Highway 60 in Mountain Lake.
