

2023 Local Road Improvement Program (LRIP) Solicitation Applications Summary

Summary of Applications Received

A combined total appropriation of \$102.967 million was available for the competitive LRIP solicitation. State Aid received 378 application submittals with total cost estimates of \$921.9 million, with requests of \$417.1 million in LRIP funding. Applications for this solicitation were separated into three selection pools as described below. On March 14, 2024, the LRIP Advisory Committee, as identified in Sec. 174.52 MN Statutes Subd. 3, convened and approved 86 projects for funding through the competitive LRIP solicitation.

Tables 1, 2, 3A, 3B, and 3C include summaries of all applications that were received during the 2023 LRIP solicitation, including the reason why projects were not selected, when applicable. All project selections considered geographic equity and equity across the following three selection pools. Projects that were not selected for 2023 LRIP funds are sorted by total score, with the highest scoring projects at the top.

Selection Pools:

- Counties
- State Aid Cities
- Non-State Aid Cities, Townships, and Federally Recognized Indian Tribes
