**Send email to:** BridgeDataRequests.dot@state.mn.us

**Subject: Request for Change of Bridge and Culvert Inspection Intervals**

Approval is requested to inspect bridges on an interval not to exceed 24 months, and culverts on an interval not to exceed 48 months.

Choose one of the following:

1. Fill out the table below, sign, and submit this form.
2. Print the Inspection Interval report for your agency located on the MnDOT Bridge Office Website, using the report filter "Show Only Structures Eligible for a New Inspection Interval." Note any changes to what is listed on the report. Sign and submit this form along with the report (do not fill out the table below).
