mndot.gov/d3/projects/local

All state roads, bridges

MnDOT employees maintain our state bridges and roads year-round for you. Pay attention for work zones, workers and heavy moving equipment.

Crews may crack seal, micro surface or fill potholes, replace guardrail or barrier, repair ditch slopes and drainage, seal pipes, replace road signs, fix signal systems and more. Learn more about how to keep our workers safe at mndot.gov/workzone.
